Refunds and Cancellations

Our policy ensures clarity and fairness:

Trip Changes

You may change your trip date or destination as long as it is 75 days or more before your original retreat's start date. If you do not rebook immediately, the payment will be converted into a credit valid for 12 months. If a guest cancels less than 75 days before the retreat, only the deposit may be applied to a future retreat. If a guest departs early during the retreat, there will be no refund.

Cancellation & Refunds

All payments are non-refundable if you choose to cancel your booking. We do not offer cash refunds. However, if you notify us of cancellation at least 75 days before the start of the retreat, payments made will convert into a credit valid for 12 months toward another retreat. For cancellations made less than 75 days before the start date, only the deposit will be credited toward a future retreat. No refunds are available for guests who leave during the retreat. We strongly recommend purchasing travel insurance at the time of booking to protect against unexpected cancellations made with less than 75 days' notice.

Cancellation by One&Well

One&Well reserves the right to cancel any retreat or part of a retreat. In such an event, we will provide a retreat credit valid for two years. If One&Well cancels the retreat due to any reason, including Force Majeure, we are not responsible for any loss of funds related to travel arrangements made by guests.
